

Message from Niagara Club 5/12/10

Hi Ed - Dan had a problem reserving a room at the Sleep Inn, but I called and am making it happen. I would appreciate it if somehow you could get the following email message out to your Club in case there are any more people that are going to make a reservation.

Message to Silver Wheels:

I called the Sleep Inn on behalf of Dan this morning because he had a problem reserving a room for your Club's visit to Buffalo. The person who negotiated the contract, Yvonne, is no longer working at the Inn. I spoke with Evan. He explained to me that when a block of rooms is closed off and put back out to the general public 30 days prior to our event (or anyone's event.) He is going to reopen our block reserved for Silver Wheels for 5 additional days. He explained that when Dan called, the computer message at the Inn popped up your rooms were not available any longer (Hey, I do believe it was the computer - new scapegoat, computers.)

So having said all that, anyone coming to Buffalo, please make your reservations at the Sleep Inn within the next 5 days. After that a room for you is not guaranteed.

Good News is that they will honor the \$79.00 rate all year as long as a reservation is made well in advance and people aren't fighting for rooms in the lobby. (Trust me, this could happen near Niagara Falls!) **Also you must mention Niagara Frontier Bicycle Club.**
